There are three different ways you can test our app. You can choose one option depending on the corresponding requirements.

Option	Requirements
Install it on your physical device	Smartphone running Android (at least Android 5.0/Lollipop)
Test it in your browser	Access to external Web App Appetize (max. one session at a time)
Install it on your computer	Android Studio IDE and Android Emulator (at least Android 5.0/Lollipop) on your computer

Install it on your physical device

- Go to our documentation repository and download the plandora.apk file
- put the file on your smartphone and tap in your file explorer to install the app

- you might be asked to grant additional permissions to be allowed to install the app.
That is because the app is not downloaded from the Google Play store
- Once the app is installed, you can sign in and test all available features

Test it in your browser

- Go to [Appetize < https://appetize.io/app/h1uq9tv9py8072tq5qj52j78gw >](https://appetize.io/app/h1uq9tv9py8072tq5qj52j78gw) and click “tap to play”
- If required, you can choose a different android version, device model and display resolution
- There it is: you can sign in and test our app
- Note that only one session is allowed at a time. If you want to test the app with your team, please choose at least one more option

Install it on your computer

- Download the [Android Studio IDE < https://developer.android.com/studio >](https://developer.android.com/studio)
- [Install an emulator < https://developer.android.com/studio/run/emulator >](https://developer.android.com/studio/run/emulator)
- Clone [our repository < https://github.com/nf3lix/Plandora >](https://github.com/nf3lix/Plandora), open it in your IDE and make sure it runs in your emulator

Login

You can use the Sign Up button to create your own plandora account.

In case you don't want to create an account but still want to test our app, we prepared three test users for you to use. Feel free to create new events and invite others to your events:

E-Mail	Name	Password
zxo98692@eoopy.com	testuser1	password1
vqa25226@eoopy.com	testuser2	password2
bcd71447@eoopy.com	testuser3	password3
